

Translated Materials Roundup

CDC

Toolkit for Migrants

CDC Communication Toolkit for Migrants, Refugees, and Other Limited-English-Proficient Populations. The toolkit includes a language-specific section for resources.

Toolkit for Migrants

Print Resources

The following print-only materials are developed to support COVID-19 recommendations. All materials are free for download and print.

Materials include wide variety of topics and they are translated to many languages including migrants' languages. Materials can be filtered by topic or audience group and can be searched by languages or keywords.

Switchboard Roundup

CORE

The Cultural Orientation Resource Exchange (CORE), a technical assistance program, connects and supports refugee resettlement staff globally to deliver effective Cultural Orientation helping refugees achieve self-sufficiency in the United States.

Through CORE, Cultural Orientation providers can:

- Participate in online and in-person learning opportunities
- Download resources to deliver Cultural Orientation
- Utilize refugee resources in multiple languages and multimedia formats

CORE is funded by the U.S. Department of State, Bureau for Population, Refugees, and Migration (PRM), and administered by the International Rescue Committee.

New animated video about COVID-19 available in several languages: Coronavirus (COVID-19): How to protect yourself and stop the spread of the virus, highlights the main symptoms of the disease, prevention tips, and steps to take if you feel sick.
